Rev. T. S. Leland, pastor of the Methodist Episcopal church of Victor, who has been taking an active interest in the troubles in the district, has been ordered out of camp. Mr. Leland is well known throughout the west as the "cowboy preacher." He had taken no part in the industrial struggle here up to last month. Then he became outspecker in his rule. Then he became outspoken in his pulpit against the lawlessness engendered by the so-called law and order movement, and was unsparing in his condemnation of the brutal departation system. Twenty-five of the most prominent church women of the district called on Mayor French of Victor and demanded that adequate protection be given to Mr. Leland.

The Kansas matter was settled by the committee in an instruction to Kansas Populists that a new ticket be nominated and that the pres ent fusion ticket be filed again under a Populist name instead of under the name of "Union" party. The committee fears that without the name Populist the ticket will lose votes. The committee is displeased with fusion in Nebraska, and probably will make a recommendation concerning it.

Members of the committee who are here from other states are Chairman Farris of Illinois, T. C. Edwards of Illinois, Jo Parker of Kentucky and Judge Waterbury of Kensas.
